INFORMATION ON BRAHMAPUTRA BOARD
IN COMPLIANCE OF
RIGHT TO INFORMATION ACT’ 2005

1. The particulars of Brahmaputra Board, its functions and duties.

2. The Powers and duties of officers and employees of the Brahmaputra Board.

3. The procedures followed in the decision making process.

4. The norms set by Brahmaputra Board for the discharge of its functions.

5. The rules, regulations, instructions, manuals and records held by Brahmaputra Board for discharging its functions.

6. A statement of the categories of documents that are held by Brahmaputra Board or under its control.

7. The particulars of arrangement/members of the public in relation to the formulation of its policy or implementation thereof [Not Applicable]

8. A statement of the boards, council, committees and other bodies consisting of two or more persons constituted as its part;

9. A directory of its officers and employees.

10. The monthly remuneration received by each of its officers and employees, including the system of compensation as provided in its regulations;

11. The budget allocated to each of its agency, indicating particulars of all plans, proposed expenditures and reports on disbursement made;

12. The manner of execution of subsidy programmes, including the amounts allocated and the details of beneficiaries of such programmes [Not Applicable].

13. Particulars of concessions, permit or authorizations granted by it [Not Applicable]

14. Details in respect of the information, available to or held by it, reduced in an electronic form;

15. The particulars of facilities available to citizen for obtaining information;

16. The names, designations and other particulars of the Public Information Officers.

17. Such other information as may be prescribed [Frequently Asked materials]
ITEM - I

PARTICULARS OF ITS ORGANIZATION, FUNCTIONS AND DUTIES

1.1 ORGANISATIONAL HISTORY AND SET UP

The Brahmaputra Board, an autonomous statutory body was set up under an Act of Parliament called the Brahmaputra Board Act, (Act of 46 of 1980) under the Ministry of Irrigation (Now renamed as Ministry of Water Resources). The jurisdiction of the Board includes both the Brahmaputra and Barak Valleys and covers all the States of the North Eastern Region either in full or in part. The Board consists of 21 Members, 4 are full time Members and 17 part time, representing seven states of the North Eastern Region, North Eastern Council, concerned Ministries viz. Ministry of Water Resources, Agriculture, Finance, Power & Surface Transport and Departments of the Government of India viz. Central Water Commission, Geological Survey of India, India Meteorological Department and the Central Electricity Authority, List of Members of the Board appointed under clause (A), (B), (C), (D) & (E) of sub-section (3) of section (4) is at Annex-I.

The Board started functioning with its Head Quarters at Guwahati from 11.01.1982. As per sub-section (2) of section (3) of the Brahmaputra Board Rules, 1981 the Board has established a Liaison Office at New Delhi.

A High Powered Review Board to oversee the work of the Brahmaputra Board was constituted with the Union Minister of Water Resources as the Chairman & Chief Minister of Assam, Arunachal Pradesh, Manipur, Meghalaya, Mizoram, Nagaland and Tripura and Union Minister/ Ministers of State for Finance, Transport, Power, Agriculture, Commission as Members, the Chairman, Brahmaputra Board as the Member-Secretary, Member (RM), CWC is a permanent invitee. List of Members of the High Powered Review Board appointed by the Govt of India vide Resolution No. 2(17)/80/FC/460 dated 19.03.1982 and as amended vide Resolution No.23/8/925-ER dated 01.10.1992 is enclosed at Annex-II.

1.2 FUNCTIONS AND DUTIES OF BRAHMAPUTRA BOARD

Functions of Brahmaputra Board have been defined in the Brahmaputra Board Act, 1980 as below;

Clause 12.

(1) Subject to the other provisions of this Act and the rules, the Board shall carry out surveys and investigations in the Brahmaputra Valley and prepare a Master Plan for the control of floods and bank erosion and improvement of drainage in the Brahmaputra Valley:

Provided that the Board may prepare the Master Plan in part with reference to different areas of the Brahmaputra Valley or with reference to different matters relating to such areas and may as often as it considers necessary so to do, revise the Master Plan or any part thereof.
(2) In preparing the Master Plan, the Board shall have regard to the development and utilization of water resources of the Brahmaputra Valley for irrigation, hydro power, navigation and other beneficial purposes and shall, as far as possible, indicate in such plan the works and other measures which may be undertaken for such development.

(3) The Master Plan shall be submitted to the Central Government as soon as may be after it has been prepared or, as the case may be revised and the Central Government shall, after consultation with the State Governments concerned, approve the same subject to such modifications as it may deem fit.

Clause 13 (1)

a) To prepare Detailed Project Reports & estimates for dams and other projects proposed in Master Plans;

b) To draw up standards and specifications for the construction, operation and maintenance of such dams and other projects

c) To construct, with the approval of Central Government, multi-purpose dams and works connected therewith proposed in Master Plans as approved by Central Govt. and maintain & operate such dams and works;

d) To prepare, in consultation with the State Government concerned, a phased programme for the construction by the State Government of all dams and other projects proposed in the Master Plans as approved by the Central Government other than those referred in (c);

e) Perform any other function which may be prescribed for the proper implementation of this Act;

f) To perform such other functions as supplemental, incidental or consequential to functions specified above;

Board may with the approval of the Central Government construct any dam or project referred to in Clause 13(1)(d) above, if it is satisfied, having regard to the cost of construction, and the expertise required for the construction, of any such dam or project, that it is expedient so to do;

Clause 13(2)

Notwithstanding anything contained in clause (d) of sub section (1), the Board may, with the prior approval of the Central Government, construct any dam or project referred to in that clause if it is satisfied, having regard to the cost of construction, and the expertise required for the construction, of any such dam or project, that it is expedient so to do.

Clause 13(3)

The Board may maintain and operate any dam or project referred to in sub-section (2) for so long as it deems it necessary so to do;

Clause 14 : Conditions subject to which Board may function.
a) No multipurpose dam as referred to in Clause – 13(1)(c) shall be constructed by Board unless the State Governments make available the required land.

b) No dam or project referred to in Clause -13(1)(d) shall be constructed unless the State Governments concerned make available free of cost land required for its execution and also undertake to take over its maintenance.

c) No dam or other works shall be undertaken by the Board unless the State Governments concerned agree to provide all such assistance as may be required for the construction, operation and maintenance thereof.

d) Central Government to specify such other conditions including conditions relating to sharing by the State Government concerned of the whole or part of cost of dam or other works constructed by the Board by a general or special order published in the Official Gazette  

Provided that before undertaking the construction of any dam or other works, the Board shall apprise the State Government concerned of the cost of construction of, and the benefits likely to accrue from such dam or other works and the proportion in which the State Government shall share such cost and benefits.

In the case of disagreement, the Board shall refer the matter to the Central Government for decision and the Central Government shall decide such matter after consulting the State Governments and the decision of the Central Government shall be final.
ITEM – II

POWERS AND DUTIES OF OFFICERS AND EMPLOYEES OF BRAHMAPUTRA BOARD

INDEX

2.0 Brahmaputra Board
2.1 Powers and duties of Officers and Employees
2.1.1 Chairman
2.1.2. Vice-chairman
2.1.3 General Manager
2.1.4 Financial Adviser
2.1.5 Secretary
2.1.6 Chief Engineer (P&D) Wing
2.1.7 Chief Engineer (I&W) Wing
2.1.8 Brahmaputra Board Secretariat
2.1.9 Chief Engineer (PDP) Wing
2.1.10 Finance Wing
2.2 NEHARI
2.3 Organizational Chart of Brahmaputra Board

2.0 Brahmaputra Board:

Brahmaputra Board is headed by a Chairman, with the status of the Additional Secretary to the Govt. of India. The Chairman is the over all in charge of the Board and is wholly responsible for its efficient working. In addition, he discharges such powers and duties as delegated to him by the Board. In the absence of the Chairman a Vice Chairman presides over the meeting of the Board. Vice Chairman exercises such of those powers and duties of the Chairman as delegated to him by the Chairman and also perform such other functions as decided by the Chairman.

The functioning of the Brahmaputra Board is divided broadly into Administration, Planning & Design, Investigation and Execution.

The General Manager is the Chief Executive Authority who heads the part –I above. He is responsible for the proper Administration of the affairs of the Board. He prescribes as assigned the duties of all Officers and staff under him. He also exercises such supervision and disciplinary control when necessary and coordinates the activities of various units under the Board. The General Manager exercises and discharges the powers and duties of the Chairman as delegated to him by the Chairman and determined by regulation and also prescribed under Rule 16 in matters pertaining to budget and allocation or re-appropriation of Grants. The General Manager is assisted by Officer of the rank of Secretary, Chief Engineers, Deputy Chief Engineer, Superintending Engineers, Executive Engineers, Assistant. Executive Engineers, Assistant Engineers and Junior
Engineers and other Engineering and Non Engineering Officers and supporting staff in various field units and at Head Quarter.

The financial wing is headed by a Financial Adviser who is under the Administrative Control of the Board. The Financial Adviser advises the Board all matters relating to revenue and expenditure. And he has the right to refer to the Board any matter, which in his opinion ought to be brought to his notice. He is also responsible for the maintenance of the Accounts of the Board and conduct Internal Audit of these Accounts. The Financial Adviser also exercises such power and duties as prescribe in the Rules-16 pertaining to the Budget. The Financial Adviser he assisted by a Deputy Financial Adviser, Senior Accounts Officers, Accounts Officer, Section Officers, Divisional Accountant, Junior Accountant and others supporting staff.

The Organizational Chart of Brahmaputra Board is given as Annex- III

2.1 POWERS AND DUTIES OF OFFICERS AND EMPLOYEES:

Brief description of duties of Brahmaputra Board Officers specifically assigned to their units given below:

2.1.1 Chairman:

The Chairman is the over all in charge of the Board and is wholly responsible for its efficient working. In addition, he discharges such powers and duties as delegated to him by the Board

2.1.2 Vice-chairman:

In the absence of the Chairman, the Vice Chairman presides over the meeting of the Board. Vice Chairman exercises such of those powers and duties of the Chairman as delegated to him by the Chairman and also perform such other functions as decided by the Chairman.

2.1.3 General Manager

(1) The General Manager, as the Chief Executive Authority of the Board, is responsible for proper administration of the affairs of the Board. He prescribes and assigns the duties of all officers and staff of the Board who are subordinate to him and exercises such supervisions and disciplinary control as may be necessary and co-ordinates the activities of various units under the Board.

(2) The General Manager also exercises and discharges such of the powers and duties of the Chairman, as may be delegated to him by the Chairman and as may be determine by the regulations.

(3) The General Manager shall also exercises the powers and duties as prescribed under Rule 16 in matters pertaining to the Budget and Allocation or re-appropriation of grants.
2.1.4 Financial Adviser

(1) The Financial Adviser is under the administrative control of the Board.
(2) The Financial Adviser advises the Board on all matters relating to revenue and expenditure. He has the right to refer to the Board any matter which in his opinion ought to be brought to its notice.
(3) The Financial Adviser is responsible for the maintenance of the Accounts of the Board and conduct internal audit of these accounts.
(4) The Financial Adviser shall also exercises the powers and duties as prescribed under Rule 16 in matters pertaining to the Budget.

2.1.5 Secretary

The Brahmaputra Board Secretariat is headed by the Secretary who looks after the Administrative & Establishment matters. He is responsible for preparation of Board’s Agenda, Minutes and follow-up actions of the Board’s decisions.

2.1.6 Chief Engineer (P&D) Wing:

The Chief Engineer (P&D) wing is responsible for dealing with matters related to all Planning & Design activities of the Brahmaputra Board including preparation of detailed project reports (DPR) in respect of multipurpose projects, Drainage Development Schemes and preparation of Master Plans. This wing is headed by the Chief Engineer (P&D) who is assisted by Superintending Engineers, Executive Engineers, Asstt. Executive Engineers, Asstt. Engineers, Junior Engineers and other non-technical officers/staff.

2.1.7 Chief Engineer (I&W) Wing:

The Chief Engineer (I&W) wing is responsible for dealing with matters related to all investigation works and execution of different flood management schemes. Under the Chief Engineer (I&W) there are 3 (Three) Circles headed by Superintending Engineers, 11(Eleven) Divisions headed by Executive Engineers and 29 (Twenty nine) nos Sub Divisions headed by Asstt. Executive Engineers/Assistant Engineers. All these Circles, Divisions & Sub Divisions both technical and non-technical Officers & staff are engaged. To assist the Chief Engineer (I&W) in his office 1(one) Superintending Engineer, 1 (one) Executive Engineer, Asstt. Executive Engineers, Junior Engineers and other non-technical staff are engaged.
ITEM - III

PROCEDURE FOLLOWED IN THE DECISION MAKING PROCESS INCLUDING CHANNELS OF SUPERVISION AND ACCOUNTABILITY

3.1 DECISION MAKING PROCESS

3.1.1 General

In general the proposal are initiated by AE/AEE at the Sub-Division level, checked by Executive Engineer at the Division level and put up to the Superintending Engineer at the Circle level for finalization, and thereafter approved by Chief Engineer (CE).

Commonly majority of references/issues are disposed off at the level of Chief Engineer when no polity matter is involved, when policy matter is involved approval of the General Manager/the Chairman, Brahmaputra Board is obtained before disposal.

3.1.2 Parliament Questions

Preliminary data/material relating the Parliament Questions is identified and compiled at the level of Assistant Executive Engineer and draft material for reply formulated by Executive Engineer, checked by Superintending Engineer and final material for reply is submitted by Chief Engineer for approval of General Manager and Chairman.

In case of questions involving policy matters, the draft material for reply is sent by the Secretary to the General Manager for scrutiny which is forwarded to the Chairman for approval.

3.1.3. Approval of Schemes under Continuing Scheme of Brahmaputra Board.

The estimate for the schemes are prepared based on the probable cost of the work by the Executive Engineer of the Filed Division, scrutinized by the Superintending Engineer of the Field Circle and accepted by the Chief Engineer (I&W). The estimate is then checked in the office of the Chief Engineer (P&D). The estimate is placed to the Standing Committee of Brahmaputra Board for Administrative Approval.

After obtaining administrative approval, the detailed estimate for carrying out the work is prepared by the filed Executive Engineer, countersigned by the Superintending Engineer of the field circle and technical sanction is given by the Superintending Engineer/ Chief Engineer based on the delegation of powers.

For execution of the work, open tenders are floated given wide publicity through website and newspapers and bids are invited as per the laid down procedure of the Govt. of India. Based on the valid tenders received rates are finalized by a duly constituted Tender Committee for awarding the work to the successful bidder for execution.
3.1.4  Procurement Cases.

For purchases related to Information Technology (IT) development (computers, printers, scanners, software’s etc.), IT units of Brahmaputra Board provides overall technical guidance and supervision. The IT cell goes into the need for development of various IT facilities for smooth functioning of Brahmaputra Board, their quantity and most appropriate technical specifications. Once technical specifications and other details such as quantity of the items and phasing of procurement is finalized by the Brahmaputra Board Authority, procurement process through DGS&D or open market as indicated below is initiated. In case of other items such as furniture, stationery, equipments etc. procurement is done based on the requirement of the various items as per plan schemes and regular upkeep of the office premises.

In cases of items which are available on DGS&D rate contract, direct is issued after obtaining the approval of the competent authority as per delegation of Financial Powers to Brahmaputra Board officers, for direct supply.

For other items not covered under DGS&D rate contract, Notice Inviting Quotation (NIQ)/Tenders are floated after approval of the competent authority. Wide publicity is given on Brahmaputra Board Website, notice boards and in case of procurement above Rs. 2.00 lakhs, through advertisement in leading English & Assamese Newspapers. The tenders/quotations are then evaluated and put up to the Tender Committee for consideration. On the recommendation of Tender Committee, the case is put to the competent authority (Superintending Engineer/ Chief Engineer/ Secretary/ General Manager/ Vice-Chairman/ Chairman for approval as per delegation of Financial Powers depending on the total value of the purchase. On approval of the competent authority, supply/work orders are placed and materials are procured/work got done.
3.2 CHANNEL OF SUPERVISION AND ACCOUNTABILITY

3.2.1. Technical Matters

Channel of supervision in technical matters is as given below:

Assistant Engineer /Assistant Executive Engineer.

Executive Engineer

Superintending Engineer

Chief Engineer

General Manager

Vice Chairman

Chairman

3.2.2. Administrative Matters

Channel of supervision in administrative matters is as given below:

Section Officer

Under Secretary / Executive Engineer (HQ)

Secretary

General Manager

Vice Chairman

Chairman
ITEM – IV

NORMS SET BY THE BRAHMAPUTRA BOARD FOR THE DISCHARGE OF ITS FUNCTIONS

Broad norms set for discharge of important functions are as follows:

4.1 SURVEYS AND INVESTIGATIONS

One of the important activities assigned to the Board by the Act is to carry out surveys and investigations pertaining to formulation of Detailed Project Report of multipurpose projects having flood control aspects and also other water resources and flood control projects assigned from time to time and its execution. For this purpose, field offices of Superintending Engineer, Executive Engineer headed by a Chief Engineer (I&W) are setup at different locations based on assessment of work load spread over the entire NE Region. The field divisions collect data required for preparation of DPR, Master Plan and for other purposes required from time to time and send to the Chief Engineer (P&D) office located at Guwahati. The draft DPR and Master Plan are prepared after analyzing the data in consultation with different nodal agencies like CWC etc. The reports thus prepared are submitted to the CWC for technical appraisal so that investment decisions could be taken by the Ministry of Water Resources, Govt. of India.

4.2 PREPARATION OF MASTER PLANS

Preparation of Master Plans for the control of floods and bank erosion and improvement of drainage in the Brahmaputra and Barak Valleys giving due regard to the utilization of water resources for irrigation, hydropower, navigation and other beneficial purposes and as far as possible, indicate in such plan the works and other measures which may be undertaken for such development. For preparation of Master Plans the required data is collected through the field divisions and processed as mentioned above. The Master Plan thus prepared are circulated to all Board Members and placed in Board meeting for discussion and approval of the Board. Once it is approved by the Board, the same is submitted to the Ministry of Water Resources, Govt. of India for acceptance. On acceptance by the Govt. of India, it is circulated to all concerned state Govt. for implementation.

4.3 DRAINAGE DEVELOPMENT SCHEMES

The Board prepares schemes for drainage development in the drainage-congested areas identified in the Master Plan. The field offices collect the required data and the DPR of schemes are prepared in the Chief Engineer (P&D) office. Then the DPR is submitted to the Central Water commission for technical appraisal and forwarding the same to Ministry of Water Resources, Govt. of India for investment clearance. The schemes are taken for execution as soon as Ministry of Water Resources gives investment clearance.
4.4 ANTI-EROSION / RIVER TRAINING SCHEMES

Brahmaputra Board takes up anti-erosion works and river training works on request from States as well as from VIPs. It carries out detailed survey and investigation through its field offices and after study and analysis of all information and data, DPR is prepared and submitted to central water Commission for technical appraisal and forwarding the same to Ministry of Water Resources for investment clearance. It takes up the schemes after investment clearance from the Ministry of Water Resources, Govt. of India.

4.5 Centrally Sponsored Schemes (CSS) for taking up Critical Flood Control & Anti-Erosion schemes in Brahmaputra and Barak Valley (In all the North Eastern States including Sikkim and North Bengal)

During X Plan the Ministry of Water Resources entrusted the Brahmaputra Board as a Nodal Agency to formulate the EFC for centrally sponsored schemes for taking up “Critical Flood Control & Anti-Erosion Schemes in Brahmaputra and Barak Valley (In all the North Eastern States including Sikkim and Northern part of West Bengal) under State Sector”. The EFC was approved during December, 2004 for Rs. 150.00 Cr. with the funding pattern of 90% Grant:10% Loan. While conveying the approval the MoWR stipulated that an Empowered Committee headed by the Chairman, Brahmaputra Board with the representative from Planning Commission, Ministry of Water Resources, Central Water Commission, Financial Adviser, Brahmaputra Board, Chief Engineers of participating states and the Chief Engineer, Brahmaputra Board as Member Secretary would determine inter-se-priority of the projects before taken up for execution. A Monitoring Committee headed by Chief Engineer (I&W), Brahmaputra Board with representative from CWC and participating states was also suggested to monitor and to recommend for subsequent release of fund for the schemes during approval of the EFC. Accordingly both the Committees carried out their functions during X Plan.

Recognizing the gravity of flood and erosion problem in the country after the devastation of 2004 flood, the Govt. of India constituted the Task Force’ 2004 for flood management and erosion control. The Task Force submitted its report during Dec’04. For implementation of recommendations of the Task Force 2004, the EFC for “Critical Flood Control and Anti Erosion Schemes in Brahmaputra and Barak Valley (including Sikkim & Northern part of West Bengal) under State Sector” had been revised incorporating the schemes recommended under the categories of Immediate Measure and Short term –I and was approved for Rs. 225.00 crore. Total 74 (seventy four) Nos. of schemes were taken up for execution in all the North Eastern States
including Sikkim and Northern part of West Bengal under State Sector during X plan. During XI Plan also schemes recommended by the Task Force’2004 for flood management and erosion control have been proposed to be taken up under “Flood Management Programme for flood control and River Management works in the entire country (a State Sector Scheme)”.
ITEM – V
RULES, REGULATION, INSTRUCTION MANUALS, RECORDS HELD BY BRAHMAPUTRA BOARD OF UNDER ITS CONTROL OR USED BY ITS EMPLOYEES FOR DISCHARGING ITS FUNCTIONS

Details of Rules, Regulation, Instruction Manuals, Records held by Brahmaputra Board of under its Control or used by its Employees for discharging its Functions are given in the following paragraphs.

5.1 ADMINISTRATIVE

1. Fundamental Rules
2. Supplementary Rules
3. Leave Rules
4. Traveling Allowance Rules
5. LTC Rules
6. Medical Attendance Rules
7. Central Civil Services Rules (Conduct) Rules
8. Central Civil Services (CCA) Rules
9. Central Civil Services (Temporary Service) Rules
10. Staff Car Rules
11. Brochure on Reservation for SC & ST in Services
13. CPWD Manual Vol.-I and II
14. CPWD Accounts Code

5.2 TECHNICAL

Following technical documents are held/referred by its employees for discharging their functions:

1. Guideline for Preparation of River Basin Master Plan (CWC)
2. Guidelines for submission, Appraisal and Clearance of Irrigation and Multipurpose Projects (CWC)
3. Guidelines for preparation of Revised Estimates of the project and Appraisal Procedure (CWC)
4. Guidelines for Planning Conjunctive Use of Surface and Ground Waters in Irrigation Projects (CWC and INCID)
5. Guidelines for Standard Equipment Specifications (CWC)
6. Guidelines/Norms for Detailed Calculations for the requirement of each category and size of the earth moving and production equipment – Working Group Report (CWC)
8. Guidelines for Environment Impact Assessment of River Valley Projects (Ministry of Environment and Forest)
10. Manual on Irrigation Water Management (Ministry of Agriculture and Irrigation)
12. Indian Standard Guidelines for Allocation of Cost Among Different Purposes of River Valley Project (BIS)
15. Design Flood Manual (CWC)
17. Guidelines for Planning of Parallel Canal (CWC)
18. Guidelines for Safety Inspection of Dams (CWC)
19. Sub-Zonal Flood Estimation Reports (CWC)
20. Report on Dam Safety Procedures (CWC)
21. Earth Dam Manual (USBR)
22. Design of Small Dams (USBR)
23. Design of Gravity Dam (USBR)
24. Design of Standards-Embankment dam (USBR No.3)
25. Life Reservoirs (CBIP)
26. Manual on Hydrological Observation (CWC)
27. Embankment Manual (CWC)
28. Enhancement of powers of the state Governments for the sanction of flood control, drainage, anti-water logging and anti-sea erosion scheme – (Planning Commission, I&CAD Division)
ITEM – VI

STATEMENT OF CATEGORIES OF DOCUMENTS THAT ARE HELD BY THE BRAHMAPUTRA BOARD

Statements of Categories of documents that are help by the Brahmaputra Board are:

6.1 CLASSIFIED

18. Hydrolometeorological Data of Brahmaputra and Barak Basins.
19. Master plan of main stem of river Brahmaputra (Pt-I)
20. Master Plan of river Barak & its tributaries (Pt-II)
21. 34 Nos of Master Plan of Sub- Basin tributaries of river Brahmaputra & rivers of Tripura.
22. GIS Studies.

6.2 GENERAL

Following documents fall under this category:

i) Detailed project reports prepared by Brahmaputra Board viz. 1) Pagladiya Dam Project, 2) Dhaleswari multipurpose project.
ii) Pre-feasibility report of Dibang Dam Project.
iii) BIS Codes prepared by Bureau of Indian Standards.
iv) Model study reports prepared by Brahmaputra Board.
v) Study reports carried out by Brahmaputra Board or through consultants- such as performance evaluation studies, Hydrological studies, Hydro morphological studies, reservoir capacity survey studies and System studies etc.
vi) CPWD manuals.
vii) Schedule of rates prepared by State Public Works Departments, Water Resources Deptt. etc.
viii) Water and related statistics like information on water and related resource utilization, production related performance and efficiency, financial performance etc.
ix) Reference manuals/guidelines prepared by CWC like design flood manual.
x) Manuals/guidelines prepared by other agencies like Life of Reservoirs-CBIP, Design of small Dams-United States Bureau of Reclamation (USBR) Design of Gravity Dam-USBR etc.
xi) Detailed Project Report received from NE State for Inter-State ramification.
xii) Flood Estimation Report.
xiii) Other publications brought out by Brahmaputra Board time to time.

ITEM - XV

Particulars of Facilities available to Citizens for obtaining Information including the Working Hours of a Library or Reading Room if maintained for Public Use

Library of the Brahmaputra Board is primarily a departmental reference library on the subject of Water Resources Engineering and other allied technical subjects. It has a very good collection of books and periodicals, Journals, newsletters, bulletins and reports etc. The library receives important technical literature, newspapers, dailies and magazines from important organizations/publishers. The library also coordinates among the small libraries located in different offices located at the Head Quarter campus for reference to technical literature for day to day use in different units/offices such as Indian Standard/ Codes, important text books/handbooks and govt. publications.

The officers and staff of the Brahmaputra Board form any office have access to this library and obtain books etc./information as needed for reference purposes.

In order to disseminate information on respective topics, preparation of bibliographies for ready reference is maintained in the library. The proposal for computerization of the library system is under process. The library is under the administrative control of the Chief Engineer (P&D) with one Junior Engineer and an Assistant posted there as caretaker.

Working hours and Reading Room facilities
The library is presently located at the end of the Establishment Wing of the Board located at Head Quarter complex, Basistha, Guwahati-781029 remains open on all working days during working hours from 9.30AM to 5.30 PM. There is a fully equipped reading room with a sitting arrangement of 12 readers at a time.

Since the Brahmaputra Board library is a technical departmental one, it is generally not open to the public. However bonafide users from other organizations are allowed to use the library for reference.

ITEM – XVI
